Career Objective

I am a versatile and motivated Year 2 student pursuing a Diploma in Digital Design and Development at Republic Polytechnic, enthusiastic about crafting user-focused digital experiences through full-stack development, UI/UX design and emerging technologies like AR/VR and AI. With a keen attention to detail, a solution-oriented mindset and the ability to work well in collaborative, agile environments, I am eager to apply my abilities in a practical setting. I am seeking an internship opportunity at a forward-thinking company where I can contribute fresh ideas, strengthen my technical expertise and continue growing in an environment that values creativity and continuous learning.

Key Skills

Technical Skills

- **Programming & Development**: Proficient in Python, JavaScript, HTML, CSS, React, JSX, React Native, and Node.js
- **Full Stack Development**: Experienced in developing both front-end and back-end applications using frameworks like React, React Native, and Node.js
- **Mobile App Development**: Skilled in designing and developing cross-platform mobile applications for Android and iOS using React Native, with Figma for prototyping and UI/UX design. Focused on creating responsive and user-friendly interfaces

- **Web Development**: Competent in building responsive and user-friendly websites using HTML and Node.js, with a strong focus on UI/UX design principles. Experienced in creating mobile applications using React
- **UI/UX Design**: Experienced in mobile and web UI/UX design using Figma, Adobe Illustrator, and Adobe Photoshop. Skilled in wireframing, prototyping, creating design systems, conducting user research, performing usability testing, and producing digital assets such as icons, illustrations, and components
- **Augmented & Virtual Reality (AR/VR)**: Experienced in creating AR and VR projects using Unity Hub, including integrating 3D assets and designing interactive user experiences

Soft Skills

- Strong problem-solving and critical thinking skills
- Effective Communication
- Excellent leadership & Team Collaboration
- Adaptability & Continuous Learning
- Project & Time Management

Education

Republic Polytechnic
Diploma in Digital Design & Development · 2024 – 2027(Expected)

- **Relevant Modules:** Web & Mobile App Development, AR/VR, AI and machine learning, UI/UX for Apps

Springfield Secondary School (2019 – 2023)

- **GCE 'O' Levels** (2023) – 6 subjects passed
- **GCE 'N' Levels** (2022) – 6 subjects passed

Certifications & Courses

Projects & Experience

RP plate: Innovation and practice (Republic Polytechnic)

- Led a 5-person project team to design and develop a digital waste management system prototype using PowerPoint slides and cardboard for the bin
- Implemented feedback mechanisms within the app continuously improve functionality and user experience based on vendor input
- Developed a cross-platform mobile application allowing vendors to track daily food waste and receive real-time notifications, demonstrating proficiency in mobile-first development

Leadership & Volunteer Experience

Republic Polytechnic

- **Orientation Student Leader, SOI Club** (2025)
    - Facilitated orientation sessions for incoming students, enhancing their understanding of campus resources and layout, resulting in smoother transition and increased campus engagement
    - Developed and distributed resource guides that outlined key academic and extracurricular opportunities, empowering students to make informed decisions and enhancing their overall college experience
    - Organized and led ice-breaking activities that fostered peer connections among freshman cohorts, promoting a supportive classroom environment and improving collaboration among students

- **Peer supporter** (2025)
    - Encourage positive communication and foster a sense of belonging among students
    - Provide empathetic emotional and academic support to peers, strengthening campus and developing high-level active listening and communication skills crucial for team collaboration

Springfield Secondary School

- **Class Vice-Chairperson (2022)**
  - o Facilitated class discussions and student engagement initiatives, ensuring smooth communication between students and teachers

Achievements & Awards

Springfield Secondary School:

- Good Progress Award (2021)
